

PROTOTOMB TECH RIDER

Lineup:

Drums
Bass + Vocals
Guitar + Vocals
Vocals

We will not bring our own Sound-/Lightperson with us, but are willing to help with our ideas and concept for sound etc.

Setup / Microphones:

Drums

- Standard-Set, 3 Toms, HiHat, Ride, 2xCrash: Standard-Microphones as needed

Bass

- Guitar-Amp Fender Bassbreaker 30 Combo with 1x12"-Speaker: Dynamic Mic for higher Freq.
- Bassamp Ampeg + 1x15" Laney-Cabinet: Dynamic Bass Mic or DI-Signal for Lower Freq.

Guitar

- Koch-Head + Koch 4x12"-Cabinet: Dynamic Mic for basic guitar sound
- MesaBoogie Head + Ibanez 4x12"-Cabinet: Dynamic Mic for Mid-Boost sound
- HoTone MiniAmp + Marshall 2x12"-Cabinet: Dynamic Mic for higher Freq (additional - if available)

Vocals

- Vocals 1 (Singer): Rock-Vocals
- Vocals 2 (Guitarist): Rock-Vocals, Shouts
- Vocals 3 (Bassist): Additional Screaming

Monitoring

- we need 4 monitoring-channels at best, if possible you can also give us 2 channels for in-ear-monitoring to make us very happy

Lighting / Visuals:

- we do not have visuals
- we like decent lighting, not too colorful, blue and red will probably work fine for us, make it nice
- no fog, please - haze will be fine

People and Food:

- 4-6 people
- we like a lot, vegan appreciated for one of us, meat for some of us

This describes our Dream-Setup - if you have any questions or else please feel free to ask, we will play anyway.
